

**“Be Ready to Open the Door”** was the theme of Bishop Gary Gordon’s recent Pastoral Letter. During this Easter Season we are spiritually and practically challenged to envision “new life” and a “new normal” in the midst of a global pandemic. Premier Horgan has announced the gradual reopening of the province, and the Bishop has appointed an ad hoc committee to address protocols for the “reopening” our parishes in the Diocese. More information will follow in the future.
